The screenshot displays the Avid Media Composer interface. The main window shows a video clip of a Newton's cradle with a snow-capped mountain in the background. A small window titled "4K-29.97P-0112 Bin" is open, showing a table with the following data:

Name	Creation Date	Duration	Drive
A112C001_180111_J703	1/12/2018 11:29:20	31:00	AMA (0)

A larger window titled "Source Browser" is also open, showing a file list with the following data:

Name	Size	Type	Last Modified	Codec	Plug-in	FPS
A112C001_180111_J703.MOV	561.8 MB	MOV File	1/11/2018 10:40...		Not processed	

The Source Browser window has a text box overlaid on it that says "ソースブラウザー画面". The interface also shows various controls and a timeline at the bottom.
